From the D c Mysore Dist-ct

No A 137/44- d 15-9-44

Recommends that B Venkatasubraman, temporary clerk on Rs 20- in grade Rs 20-1-25 Bannur Municipality be absorbed in a regular General vacancy, exempting him from the operation of the G R B rules

B Venkatasubraman is seen to have passed the S S & C examination, which is the minimum qualification prescribed by the G R B, for class II of clerical appointments. He is working as clerk in the Bannur Town Municipality, for the last one year on Rs 20- in grade Rs 20-1-25 previous to this, he says that he had acted as clerk in Hingur and Bannur Municipalities for about five years, after which there was a break in service. His age is 31 years.

2) In view of his qualification, his good work and experience in the Municipal office work, the D c Mysore, has recommended that he may be absorbed in one of the existing General vacancies of his unit, exempting him from the operation of the G R B rules.

3) It is also stated that there are no candidates

Returned with compliments

The proposal of the Deputy Commissioner is not acceptable. It means the appointment of a candidate who is 31 years of age while the Rules of Recruitment have prescribed 25 years as the age limit for the Brahmin candidates. Besides it is not known if this candidate's original appointment was made in accordance with the rules.

It may also be mentioned in this connection that a great many proposals seeking approval for the appointment of Brahmin S S L C's already holding permanent posts, as clerks in direct Recruitment general vacancies have been turned down with a direction that they should apply for inclusion in the approved list when applications are invited or await their turn for promotions according to seniority and merit. The present proposal, if approved, would result in an invidious distinction.

Separate action is being taken to invite applications from candidates for the A list both in class I and II and it would be possible to assign a few candidates for the unit of the Deputy Commissioner. Hence there is no reason to exempt the candidate from the operation of the Rules of Recruitment.

SIR

* In enclosing herewith the application of B Venkata subbiah temporary clerk on Rs. 20/- in grade 20-1-25 Bannur Municipality, I have the honour to state that the candidate is working as a temporary measure in Bannur Municipality for the last one year as there are no candidates awaiting appointment in class II 'A' vacancies. Due to the advent of food operation scheme, number of vacancies have been created both in Municipal and Taluk Offices and as many of the candidates assigned to this Unit did not join duty this official is being continued in Bannur Municipality. It is reported that he has picked up Municipal work having had worked in Bangur and Tugur Municipalities both in previous and present occasion. He is 31 years old and has passed S S L C examination and I recommend that in the circumstances mentioned the sanction of Government may be obtained for absorbing the official in any one of the existing general vacancies exempting him from the operation of Recruitment Rules.

I have acted as a clerk in Majur and Banner Municipalities for

inspection.

Prior to my service of one year in this office, I had a
break service from which I lost my service and have been in the
Municipality.

I have passed S S & C Examination and well acquainted
with the Municipal work.

I belong from a poor family and much depends up on
the Government service.

I therefore request you to kindly order for my Confer-

The applicant has worked in this office to my entire satisfaction since past one year. He brought the office accounts up to date and also he is very obedient. He is well versed in summary works. Since he is poor and has to maintain a big family I recommend his case be favorably considered as a special case and exempting apart from C R B rules.

To The D. C. Hydrabad D. C. ^{16th Nov 1944}

Temporary clerk, Banner Municipality, from the
operation of the C R is rules

Sir,
With reference to your letter no A
137/44-44 d 15-9-44, on the above subject, I
am directed to state that the proposal involves
the appointment of a candidate who is
31 years of age while the rules of recruit-
ment have prescribed 25 years as the age
limit for the ^{to enter Govt service} Brahmin candidates. Such
candidates should, ^{under the C R is rules} be eligible for inclusion in
the approved list when applications are
invited or await their turn for promotion
according to seniority and merit

2) The p-s comm has indicated that
 action is being taken to invite applications
 from candidates for the 'A' list - both in
 class I and II and that it would be possible
 to assign a few candidates for your unit.
 The present proposal, if passed, would result in
 an 'unimpaired' district.
 3) In these circumstances, I am to add
 that there is no reason to exempt the candi-
 date from the operation of the C-R rules
